

My School

Woodhaven High School is part of the Woodhaven-Brownstown School District. It is a 10-12th grade building housing over 1200 students.

My School

More detailed information can be found on the school's website

www.woodhavenhs.sharpschool.net

My Classroom

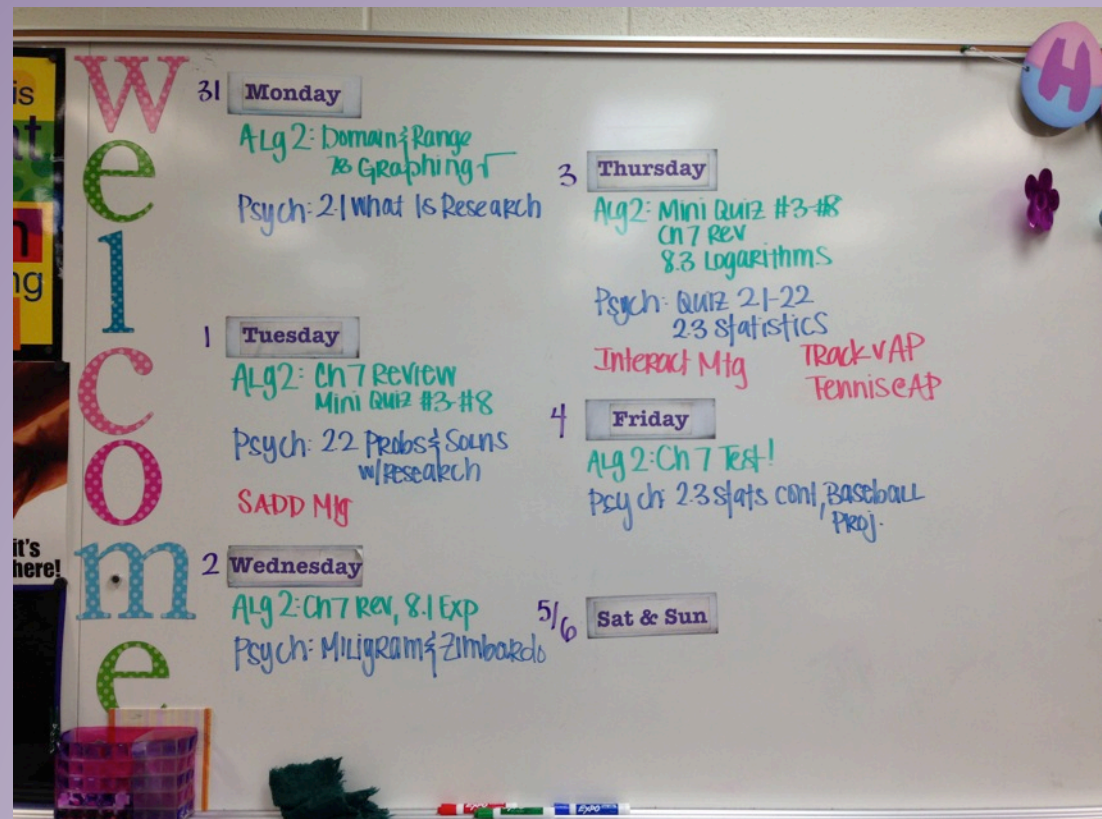

I LOVE to decorate!

- My decorations change monthly
- If you look closely you can see the curtain which also changes monthly. This was left by my mom when she retired and I moved into her old classroom

My Classroom

Classroom Calendar

- The date
- The weekly plan for each of my classes
- Updates on quizzes, tests, reviews, etc.
- Activities like club meetings, athletic contests, etc.

My Classroom

Absent Work Folders

- I gather and staple together all of the handouts from the day's lesson.
- Each student can find their work in their hour's folder
- GREAT way to avoid the rush of students asking what they missed!

My Classroom

The orange brick wall...

- At one time the wall was the outside of the school.
- It's the only classroom in the school like this!

Along the top of the wall you can see my banner of cross country and track team tshirts!

My Classroom

My love for the University of Michigan and athletics!

- I change these schedule posters annually
- Students enjoy finding their sport.

Look to the counter in the left of the photo you can see this is where I keep some of my organizational items.

- Notebook and graph paper
- Trays for turning in work and storing graded work
- Classroom set of graphing calculators

My Classroom

What would a classroom be without some motivational posters?!?
